

# Steere House

NURSING & REHABILITATION CENTER

May 5, 2021

Dear Family Members and Friends,

Mother's Day is here and so is National Nursing Home Week! Our Activity Team have a great theme this year, Holiday Celebrations! It's time to party after COVID and the long journey we have all made as a community and family. The week will feature a mix of fun and surprises for residents and staff. Our Facebook page will have a few more updates and some fun pictures, so check it out!

May 9<sup>th</sup>            SUNDAY:        Mother's Day of course! A special menu and a number of residents will be traveling with their families.

May 10<sup>th</sup>          MONDAY:        Be patriotic, July 4<sup>th</sup> Independence Day is here!

May 11<sup>th</sup>          TUESDAY:       Spooky times, Happy Halloween.

May 12<sup>th</sup>          WEDNESDAY:    Do I hear jingle bells? Merry Christmas to all.

May 13<sup>th</sup>          THURSDAY:     The Peanuts do it right... Popcorn for Thanksgiving.

May 14<sup>th</sup>          FRIDAY:         Time to turn the page – Steere House is having a New Year's Eve party!

May 15<sup>th</sup>          SATURDAY:      And God said, we all need a "day of rest".

Additionally, Thursday, May 13<sup>th</sup>, our own "Thanksgiving Day", Steere House is going to say a special thank you to our amazing employees. Employee Appreciation Day has been a tradition during National Nursing Home Week for many years. It's a day to recognize everyone on our team, as well as to congratulate the staff who have 5-yr milestone anniversaries. All the staff will receive gifts and recognition of our gratitude.

This is a good time to say "thanks" to all the families and friends who have made donations to the Employee Appreciation Fund over the months of the Pandemic. This fund is a great way to be appreciative of the care team and all the support staff, those you see and folks behind the scenes. It takes a village and your thoughtfulness means so much.

Sincerely,

Julie H. Richard, Administrator
