Message from the President and Executive Director

Steere House is pleased to be celebrating its 135th year of incorporation and to be providing this Annual Report. You will find in times of great economic challenge and of changing public funding, Steere House remains strong, focused on providing quality services for our residents and preparing for the future. Our legacy and mission are at the core of all our activities and your generous support continues to be essential to the vitality of our organization.

It was on October 12, 1874 when Mr. Jonathan G. Draper, the very first resident of The Home for Aged Men, arrived. As he and the other eight gentlemen “inmates” began their residence on Chestnut Street, newly elected President, Henry J. Steere began the work that is the foundation and essence of our vision today. As we transform to meet the needs of today’s long term care consumer, we will continue our dedication to providing the excellent quality of care established all those years ago.

In the first “Report of the Board of Managers”, Steere House history tells us: “The story of the Home for the year now closed, what it has accomplished and what it has cost is told in the reports here (sic)...Under the management of the Superintendent...the house expenses have been

economical, the needs of the inmates satisfactorily provided for, and every attention paid ...” This past year, Steere House has traveled a path to find business efficiencies and implement new procedures which will consistently improve our quality outcome ratings. In addition, the Board of Directors and the leadership of our organization have spent a considerable amount of time mapping the road for tomorrow’s journey. Steere House remains committed to leading the way in long term care. Opportunity can be found and we will successfully move forward with your contributions of time, talent and charitable giving.

Thank You!

Treasurer's Report

Steere House continues to face adversity with strength. 2008 presented an economic environment that significantly impacted both our Foundation and general operations. Our revenue sources were challenged by rate reductions and our overall fiscal position altered due to declines in the stock market. However, the Board of Directors, Leadership Team and staff at Steere House will continue to work together towards our common goal of maintaining excellence in the services we proudly provide to the elders and others in need of long term care in Rhode Island.

The total net operating revenue for Medicare, Medicaid, commercial insurers, and private pay clients was \$10,200,451 compared to operating expenses of \$11,385,679 for an operating loss of \$1,185,228. This compares to a 2007 operating loss of \$1,011,816. Net investment income losses of \$568,013 in 2008 (compared to a net gain of \$1,077,867 in 2007) contributed to a net loss of \$1,146,114 in 2008 compared to a net gain of \$649,797 in 2007.

Respectfully Submitted,
Edwin F. Hallenbeck, Treasurer

Bequests are the promises that shape our future

THE DiPersio SOCIETY

The DiPersio Society, named for Edward R. DiPersio, former Steere House Board Member who passed away in 1995, was established to honor and recognize those individuals who have named Steere House in their estate plan through a bequest, charitable trusts, annuities, life insurance or an outright gift of \$3,000 or more to the general endowment or to establish a permanent endowed fund. Too often we are not aware of who our benefactors are until they have passed away. The DiPersio Society provides a means to honor and thank donors during their lifetime for a gift that will make a difference in the future.

We feel exceedingly thankful, and are mindful that the giver derives the greater pleasure, having the ability and spirit of giving.

~ Report of the Board of the Managers, 1875

We bow our heads today in sincere thankfulness for those who visualized the need of the community, and were imbued with the spirit of generosity to begin this noble work...

~ Annual Report, 1924

The splendid performance of our dedicated staff and the continued generosity of our friends...[it is] these wonderful people {who} have again been most generous with their time, talents and their resources and have encouraged bequests and thoughtful estate planning.”

~ Report of Directors of the Corporation, 1974

As we celebrate our 135th Anniversary, we thank those that do so much to continue this thread of giving, helping us to fulfill the promise.

LEAVE A LEGACY®

In Remembrance

We would like to remember George O. Steere, Sr., who died in late August, 2008. As a member of the founding Steere House Family, George and his wife, Kathryn, carried on the family's legacy. Together, they established the George O. & Kathryn G. Steere Chaplaincy Fund and George encouraged Kathryn's active involvement in Steere House life. Today, Kathryn continues to be a source of support and we hope will be well into the future.

In his memory, we thank you both.
