

Fulfilling Our Promise

Steere House

NURSING & REHABILITATION CENTER

February 11, 2021

Dear Family Members and Friends of Steere House,

This letter is to provide you with an update regarding the Steere House COVID-19 status.

Our last round of testing was Monday, February 8 and no residents tested positive. Our next test day is Tuesday, February 16th. Our next vaccine round is Friday, February 19th with Walgreens pharmacist coming to Steere House for the inoculations of residents and staff.

The Steere House culinary team is planning some fun February treats!

Valentine: Serving "Love" for residents with Heart Shaped filled macarons and Dove chocolates. (Sugar-free for those who might need that option.)

Presidents Day: We feature cherry pie – of course!

Mardi Gras Tuesday: Shrimp Jambalaya, roasted corn with red peppers and a surprise Mardi Gras treat for dessert.

February is the month for chocolate and two new recipes will be served. They are different yet will be so sweet... 1) Cocoa Crusted Pork Chops with fresh Cherry Sauce and 2) Fresh Beet Salad with Dark Chocolate Glaze. Seems like chocolate can be a 'superfood', so why not!

Steere House wishes everyone a Happy Valentine's Day – you have shared so much love and kindness with our community. Your understanding will be especially remembered in this month of "heart and soul".

Sincerely,

Julie H. Richard
Administrator
