

Steere House

NURSING & REHABILITATION CENTER

August 11, 2021

Re: VISIT UPDATE

Dear Family and Friends of Steere House,

Steere House is happy to inform you that our 3rd Floor has been cleared and is open to guests effective today. Our residents and staff have cleared testing. A new round of testing will take place next week per instructions from RIDOH.

In regards to the mandatory health care worker vaccination announcement made by Gov. McKee yesterday, Steere House is communicating directly with the staff impacted. As we stated earlier this week, 84% our staff is vaccinated.

VISITATION CHANGE for 3rd floor.

- 3rd floor GUESTS must follow these rules:
 - N 95 Mask must be in place at ALL times, including inside patient rooms on 3rd floor. The screener will provide you with the N 95 to wear. DO NOT enter the unit without an N 95 securely in place.
 - Please follow the hours below, including a using surgical Mask in the other areas of Steere House and 2 guests per resident.
- Other VISITOR instruction will continue:
 - Hours:
 - 10am -12pm and
 - 2pm-6pm
 - SURGICAL MASKS AT ALL TIMES, including inside patient rooms
 - 2 guests per resident
 - Outdoor visits are preferred
 - INDOOR visits are in-room only
 - NO travel in unit areas - except to enter/exit the resident room
 - Please arrange your visit to end at 12pm or 6pm

Sincerely,

Julie H. Richard
Administrator/Executive Director
