

# TWILIGHT IN THE GARDEN

## A Letter from the Executive Director

Joshua M. Segal, NHA

Dear Friends, As we move beyond the summer months and into the holiday season, I am reminded how fortunate we are to share this community. Every day, I see small moments of kindness and caring—a nurse's aide helping a resident with her hair, a therapist offering encouragement, a housekeeper having an engaging conversation as she cleans a room. These moments add up to something larger: a culture of compassion that defines Steere House.

This culture extends beyond our walls, as evidenced by the generosity shown during our June fundraising event. Thanks to the support of so many of you, we are able to bring music, beauty, and joy to our residents, while also investing in the tools and training that strengthen our staff.

As the year winds down, I thank you for your trust and continued partnership. Together, we ensure that Steere House remains a place of care, dignity, and connection.

Warmly,

### A Memorable Evening of Celebration and Support

On June 12th, Steere House hosted its annual fundraising event at the beautiful Squantum Association in Riverside, Rhode Island. The evening brought together friends, families, staff, and community partners in celebration of Steere House's mission and enduring commitment to compassionate care.

A highlight of the night was the presentation of the Steere House Legacy Award to Dr. Aman Nanda, who has served as Medical Director for more than 20 years. Dr. Nanda's leadership, expertise, and dedication have been invaluable in advancing the quality of care for our residents. We were also proud to honor Andrew Spacone, Immediate Past President of the Board of Directors, with the Excellence in Board Service Award in recognition of his steadfast leadership and oversight of a major project that strengthened the Steere House community.

Thanks to the generosity of our sponsors, guests, and supporters, the event raised \$21,000 to help sustain the vital programs and services that enrich the lives of our residents every day.

## Remembrance and Tribute Gifts

These gifts thoughtfully express your love and respect for someone special or are a wonderful way to say thank you for the care a loved one has received at Steere House.

Remembrance gifts offer bereaved families the opportunity to invite others to make a contribution. You may also want to pay tribute to someone special by making a contribution in their honor. These gifts are a popular way to recognize staff members for the special care they've given to your loved one.

Whichever way you decide to make your gift, it will certainly touch those remembered.
